

Year 8 Designer Brief

Design Brief: You have been approached by IKEA to design a piece of furniture for your bedroom inspired by one of the designers in this PowerPoint.

Design Specification:

- It must have more than one function.
- It must appeal to Year 8 students.
- It must consider the use of sustainable materials.
- It must clearly show the links to your chosen designer.

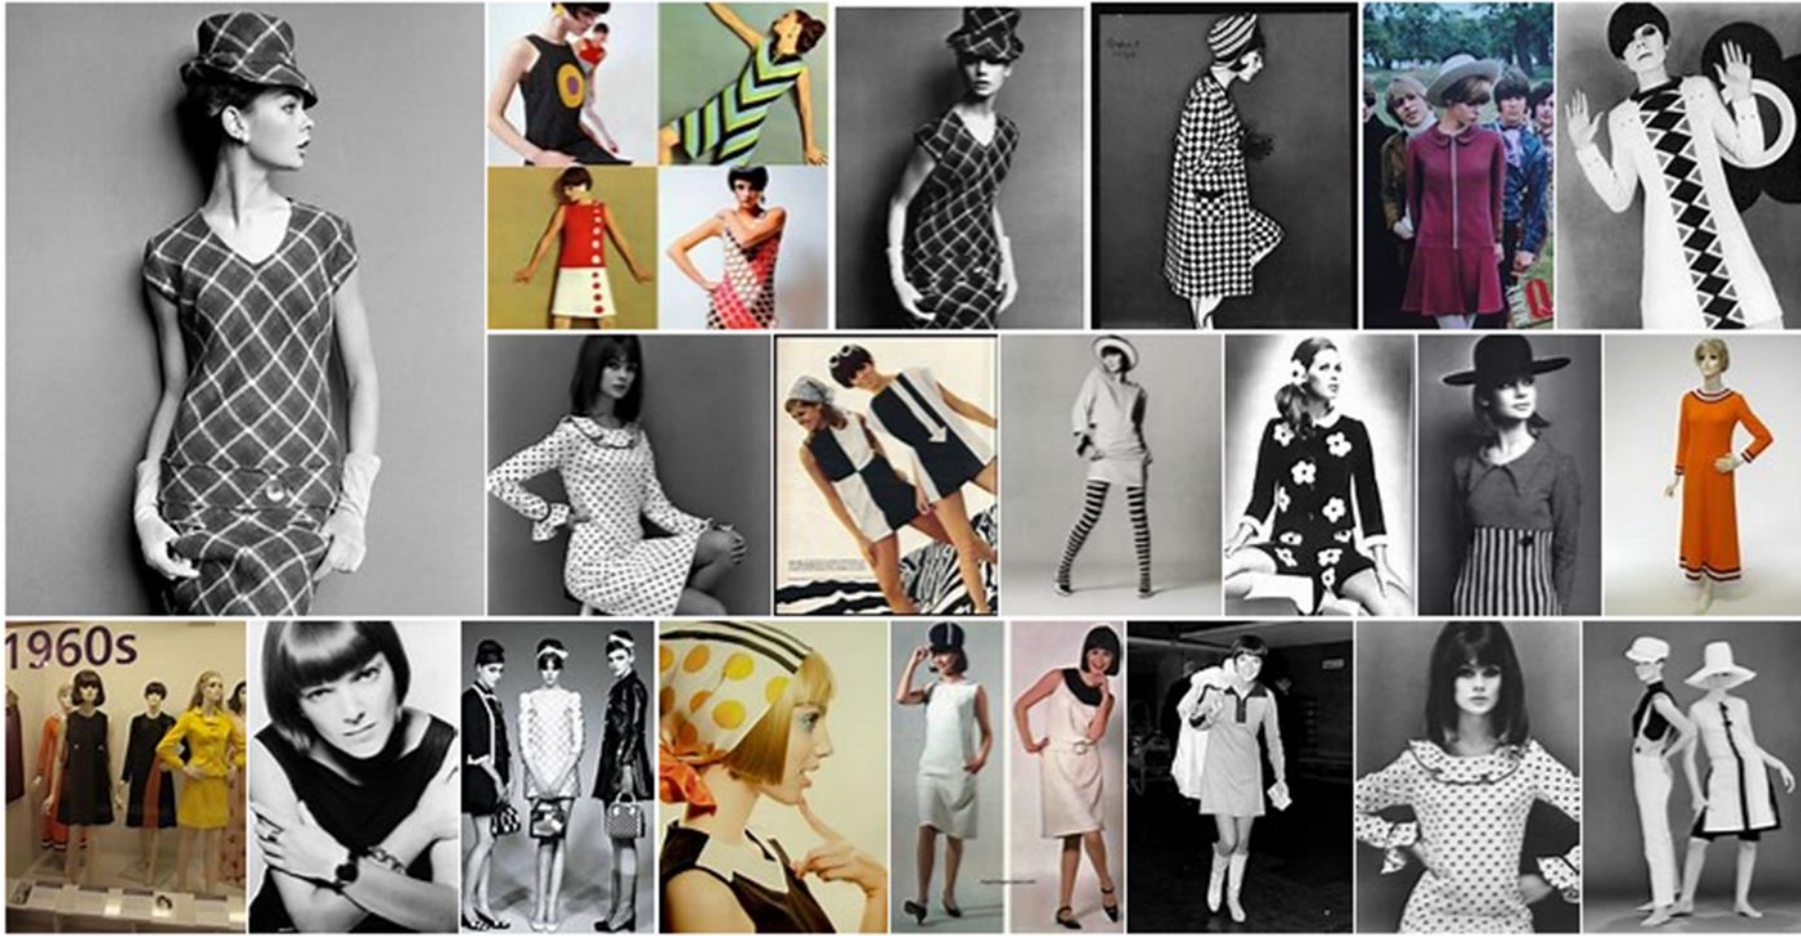

- The project must include:
- Page 1 Interesting research facts about your chosen designer
- Page 2 A moodboard which could include a collection of images of their work, things that you like, colour schemes that would go in your bedroom, innovative products – you should explain why you have chosen to include the images etc.
- Page 2 and 4 a range of creative design ideas at least 8 ideas with annotation, annotation should include dimensions (sizes) and materials.
- Page 5 A 3D drawing of your final design with reasons for your choice.
